

Rakshit Shetty

rakshit24x7@gmail.com

19th February 2002

Ambitious along with a knack for fast-performing, neat-looking & future-proof design philosophies. I care about the end user.

Find me on:

Projects

Timescale

/2020/

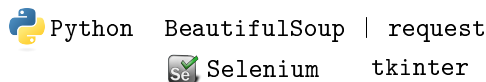

A time management utility.

Make plans and get reminded :)

-

Lukup

/2021/

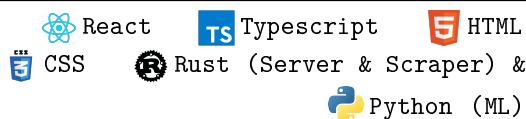

A query maker.

Keep querying your favourite sources on the web for information!

<https://github.com/decent-man/lukup>

Kilowog

/2021-2022/

A product comparison engine with recommendation capabilities.

Search for products and get results from multiple E-commerce giants on an intuitive UI tailored for information transparency. No databases just scraping.
