Rakshit Shetty

rakshit24x7@gmail.com

19th February 2002

Ambitious along with a knack for fast-performing, neat-looking and future-proof design philosophies.
I care about the end user.

Technical Skills

Languages

Programming	Markup
C & C++	CSS
Haskell	HTML(XML)
Java	Markdown
Javascript(+Typescript)	LaTeX
Kotlin	
Lisp	
Python	
Rust	
SQL	
Shell Scripting sh bash zsh	

OS Proficiency

- *Windows*
- *Mac OS*
- *Linux*
    - Users & File Permissions Management
    - UNIX file system
    - Bootloaders
    - Kernel Configuration

- Creating Lightweight Linux's | *Gentoo* | *Linux From Scratch* |
- Init Systems | *SysVInit* | *OpenRC* | *runit* |
- Cron

Environments

Editors	Tools
Vim	Git
Visual Studio Code	Docker

Creative Skills

Multimedia

Image	Video	Audio	UI Design & Prototyping
Image Manipulation	Editing(Retime, Color Correction, etc)	Basic Audio(Vocals) Processing	Designing UI's
Color(Correction, Keying, LUT's)	Visual Effects(Basic)	Basic Music Production Knowledge(MIDI's, VST's, Keyframing, etc)	Basic Prototyping

Environments

Multimedia & Design	Others
GIMP	Microsoft Office(Word, Excel & Powerpoint)
Davinci Resolve(+Fusion & Fairlight)	
Reaper	
Audacity	
Cakewalk	
Figma	

General Skills

Languages	Hobbies
English	Fitness, Health & Nutrition
Hindi	Music(Listening & Playing)
Marathi	Video Games
Kannada	
Tulu	

Education

SSC
2016–2017

Marol course Academy's High School
Percentage: **89.80%**

HSC
2018–2019

Holy Family's Junior College
Percentage: **61.85%**

JEE Mains
2019

89 percentile

CET
2019

62 percentile

B.E(Current)
2019–Current

Atharva College Of Engineering
No active backlogs :)
CGPA$_{Avg}$: **8.02**

Experience

Projects

Timescale 2020	`Java + JavaFX + MySQL` *A time management utility* -
	....

Lukup
2021
	`Python(BeautifulSoup, Selenium, request, tkinter)`
	A web fetch utility.
	Configure once and keep fetching infinitely from your sources!
	`https://github.com/decent-man/lukup`

	....

Kilowog
2021-2022
	`Web Technologies(React+Typescript+HTML+CSS) & Rust(Server & Scraper)`
	A no-database product comparison engine with recommendation capabilities.
	Multiple E-commerce giants brought together on an intuitive UI to generate comparisons.
